A GREAT SACRIFICE.

THE poetical and fanciful and grave and gay editor of the Grenada Sentinel is still hopeful. He thinks he will live to see the new State of Chickasaw created. We always hoped he would live a thousand years,

It is proposed that Ben. Butler be suf-lered to take charge of one of the bal-lered to take charge of one of the balfered to take charge of one of the balloons about to cross the Atlantic. He has always been striving to attain some higher position, and we hope now that From an Oc he will find, in this kindly suggestion, the sure means of gratifying his loftiest improvements, but the people are re-

White, at Mason's Depot.

Mason's Depor, August 3-At the clored church, near the depot, to-day, From an Occasional Correspondent.] while service was being conducted by the pastor, two of the members, named respectively John Jackson and Jordan Fields White resumed, it is supposed, we have no information as to who did it. The car had been as to who did an old quarrel and conducting it with high words, finally ended with the use of the pistol, White killing Jackson almost instantly. The murderer was arrested and the coroner summoned. The covered until the following evening.

This supposed, we have no information as to who did it. The car had been locked and sealed, but the seal was broken and the car unlocked (the parses having a railroad key), the cotton removed, and the car covered until the following evening.
